Rick, I think Greg will be requesting you to do a TA for him for Riverton next week for a Pavillion working group meeting- should be chargeable to the site account for Pavillion. Below are my flight dates/times if you can match those BUT I will be asking Francie to see if she can get me on the later flight back on 10/11 as we need to meet with some community members that morning. I think there is a flight back around 11:57- hopefully we can both get on that flight.
